

DANVILLE, PA

creatively unique

What's Happening Downtown.....

One of our spring projects is to mulch around our trees on Mill Street. This will cut back on weeds and maintain a more groomed look.

There are approximately 60 trees.

We are still pursuing donations from businesses, so please consider.

Even \$10.00 a business will help us achieve our goal! ☺

Please fill out the form below and return to 316 Mill Street

MAKE MAY BEAUTIFUL!

The Design Committee of the DBA has announced the month of April as 'clean-up' month. Take a moment to look at the exterior of *your* storefront. Look at it from the customer's perspective. Consider the front and back entrances, sidewalks, planters, alleyways, doors and windows. It is a great time to touch up or repaint faded or peeling paint, wash windows, weed sidewalks, remove rubbish, etc...

Every little bit helps make Danville more beautiful and inviting.

Please take the time to do this BEFORE Spring Fling.

The American flags
will go up
sometime before
Memorial Day

23rd Annual Danville Spring Fling

Mural Project

The Danville Borough is one of five communities selected statewide to receive financial support from the Pennsylvania Downtown Center for a community enhancement project to be completed in downtown Danville this summer. The project will be a mural with a historical theme and is intended to memorialize individuals and events significant in the history and development of Danville and Montour County. The site selected will be in the riverfront district at the foot of Mill Street. Once completed, the mural will be visible to motorists, pedestrians and boaters passing along the riverfront area, and particularly those crossing the river into Danville from Riverside on the nearby route 54 bridge.

We are looking for adequate housing for the interns, which meets the following requirements: located within walking or biking distance to the project site, furnished and equipped with a bathroom, cooking facilities and basic utilities. If you have anything available from June 1—August 15, Please contact us at
