### Community Clock Project

The Danville Business Alliance Design Committee will soon begin a fundraising campaign for a new town clock. The clock will be located near the municipal building above Canal Park, with two faces pointing north and south with “Danville Est. 1792” along the top. The base will be a stone planter to compliment the stonework of Canal Park and the Montgomery House.

All donations are greatly appreciated, and all donations over \$200 will receive a desktop replica. A Danville Business Alliance representative will be at the Spring Fling with a picture of the clock, super imposed into its approved location and the proof replica on display.

If you have questions or need additional information or would like to donate, please contact the Danville Business Alliance office, 284-4502, or visit the DBA office at 316 Mill Street in Danville.

If you would like to donate to the community clock project, please fill out the form below  
and send to DBA, 316 Mill Street; P.O. Box 441, Danville, PA 17821.  
Donations over \$200 will receive a replica clock.
